

CERTIFICATE OF REGISTRATION

This is to certify that

INEOS STYROLUTION AMERICA LLC

12222 Port Rd. Pasadena, Texas 77507 USA

Refer to Attachment to Certificate of Registration dated February 22, 2018 for additional certified sites

operates a

Quality Management System

which complies with the requirements of

ISO 9001:2015

for the following scope of certification

The Quality System supports the manufacture of styrene from ethylbenzene at two facilities located in Bayport, TX and Texas City, TX. These two sites are referred to as the Gulf Coast Regional Monomers plants. The styrene monomer generated in the plants is shipped to various polymer plants as a feedstock. The scope of the Quality Management System is specifically defined as everything within the direct control and authority of the Gulf Coast Region sites only. Many business functions are performed by other division of the company; these divisions are treated as customers and/or suppliers, as appropriate.
